

UNIVERSITY OF MARYLAND, COLLEGE PARK
Grandparents' University Informed Consent and Release

In consideration of being permitted to participate in the voluntary Grandparents University Program (hereinafter the "Program") sponsored by the University of Maryland, College Park's Alumni Association, I voluntarily agree to indemnify, release and hold harmless the State of Maryland, the University of Maryland, College Park, Alumni Association and its officers, agents, employees and volunteers from any and all costs, liabilities, expenses, claims, compensation, demands, causes of action on account of any property loss or personal injury to me or the minor child that might result from our participation in the Program, whether arising through our own negligence, omission, default, or that of the University or its Alumni Association.

The Program will take place **Friday, June 22, 2018 from 8 a.m. to 4:30 p.m.** at Samuel Riggs IV Alumni Center. I understand that all minors must be accompanied and supervised by at least one grandparent/guardian for the entire event and that this individual is responsible for supervising the minor child at all times.

As with any activity, there are certain inherent and unforeseen risks/losses that cannot be prevented. Should the minor child or I require emergency medical treatment as a result of illness, injury or accident while using the facilities, I authorize such aid or other treatment as may be necessary under the circumstances, to include treatment by a physician or hospital of which I agree to be solely responsible for any associated cost. I will notify the University in writing if the minor child or I have any medical conditions (e.g., allergies, asthma, epilepsy, bee-string reactions, etc.) that may limit the extent of the minor child's or my participation and about which emergency personnel should be informed.

I understand that photographs and video footage are not considered 'directory information' by the University of Maryland as defined by the Federal Family Educational Rights & Privacy Act (FERPA). Consequently, my likeness or that of the minor child cannot be used without this grant of permission. In addition, I understand that with this Informed Consent & Release, I am expressly granting the University of Maryland permission to use and release this likeness in either photographic or videographic format for future University use. Finally, I understand that I am free to withdraw my consent in writing for future use at any time without penalty. The University of Maryland will not be required to notify me prior to using or releasing the likeness.

I have read and signed this document with full knowledge of its significance. I further state that I am either 18 years of age or older, qualified and competent to sign this Informed Consent and Release on behalf of myself or the minor child.
